FUGE CAMPS + 2019

July 8–12, 2019
Information Packet

MFuge

MFuge is a program designed to help your students jump in to ministry with local communities and serve people in need, and then take their experience home to do missions there. During the day, students are challenged as individuals working alongside students and leaders from other groups. In the evening, build your group unity over worship, church group time, and fellowship.

Location

REC Student Ministries will be going to Carson-Newman University in Jefferson, TN. 1646 Russell Ave, Jefferson City, TN 37760.
