

Dear Parents,

Throughout the school year, we will be taking candid snapshots of the children. There will also be times when parents will be included in photos (such as on days like USA DAY, Father's Day, or Mother's Day). We may also take videos and audio recordings of the children while having a special event.

We do not sell the pictures or use them other than in a gift for you (the parents) or in an in-school/church slideshow. We would like permission to use your child's picture and/or your picture only in those ways if it would be selected. Please sign the form below and give it to your child's teacher. In addition, your child's lead teacher may send pictures to you via **REMIND** or other forms from the school. **By signing this form, you are declaring that you will not post pictures of any students who may be included in a picture, video or audio recording with your child received via REMIND (or other photo forms from the school) on any types of social media without the express permission of the other students' parents.**

Thank you in advance.
