ANNOUNCEMENTS & BENEDICTION

ABIDE WITH ME

Abide with me, fast falls the eventide
The darkness deepens Lord, with me abide
When other helpers fail and comforts flee
Help of the helpless, oh, abide with me

Swift to its close ebbs out life's little day
Earth's joys grow dim, its glories pass away
Change and decay in all around I see
O Thou who changest not, abide with me

I need thy presence every passing hour.
What but thy grace can foil the tempter's power?
Who like thyself my guide and strength can be?
Through cloud and sunshine, O abide with me.

I fear no foe, with Thee at hand to bless
Ills have no weight, and tears lose their bitterness
Where is death's sting? Where, grave, thy victory?
I triumph still, if thou abide me
