

## Responding to the Triune God and His Revelation to Us

Our worship encounters exist in the context of \_\_\_\_\_ .

God makes worship that is acceptable to Him possible through the work of \_\_\_\_\_ and the \_\_\_\_\_ .

“...The pattern of acceptable worship throughout Scripture can be defined as *an \_\_\_\_\_ with God on the \_\_\_\_\_ he \_\_\_\_\_ and in the way he alone \_\_\_\_\_* .” - David G. Peterson

Being confronted with God’s \_\_\_\_\_ and \_\_\_\_\_ in turn sets the stage for us to \_\_\_\_\_ to and \_\_\_\_\_ him rightly in every aspect of our lives.

The concern for \_\_\_\_\_ has in mind God’s larger purpose for His people.
