ANNOUNCEMENTS & BENEDICTION

The Grafting of God

The wisdom of God I can't understand; Why would you take the sins from a man?

But You're telling your story and showing the world The depths of your glory as heart are unfurled.

You hardened your people in the fullness of time That we could come in through the Savior Divine.

For from him and through him and to him are all things.

For from him and through him and to him

Are all things forever. Amen.

The wisdom of God in His perfect plan; From trespass to riches for ev'ry man.

You brought me out from the wild olive wood And grafted me into the root that is good.

You opened my heart with the Spirit Divine, So now and forever the Savior is mine.

For who can understand the mind of the Lord? Who can understand His works and His ways?

Who can advise the great counselor? Who can give a gift that he'd be repaid?

The depth of His riches of wisdom and knowledge have worked wonders for us; this the mystery of Grace!
