March 2023

Our Gospel Partnership

Our gospel partnership is seeing God opening doors of opportunity! Here are some highlights from the first few months of this year:

- We are training more local partners in evangelism and this is multiplying our efforts in **getting the gospel to the lost**. Hundreds of people are hearing about Jesus every week and some are following Jesus!
- We hosted a three day training with local churches in early March to pray and think strategically about the Core Missionary Task. In our final session, nearly all churches represented shared **action steps to move forward!**

- Huayu International Missions is gaining momentum sending Chinese partners and is preparing to **train and send its next group** this spring.

Join us in praying for:

1. God to continue to open a door for the message of the gospel
2. The Next Generation to be equipped to lead
3. More locals to be sent out as laborers in the harvest

Three days with local partners to talk partnership in the Core Missionary Task!

Hope and Hannah out sharing the gospel
