Looking back, Looking forward

I hope this email finds you well as we enter the month of May. Is it just me, or is this spring flying by? Thank you so much for your faithful prayers over these last couple weeks. I so enjoyed hosting my Unit Leader and another worker last weekend. We made the most of our days together by fellowshiping, having strategic meetings, worshipping with the local church and visiting one of my Saharawi friends. While at my friend's house, the worker was asked directly if he was a Muslim. He took that opportunity to share his testimony and it was a powerful time. Please be praying for those who heard his testimony - that the Lord would draw them unto Himself.

Last week we had the privilege of gathering with other workers who are laboring to advance the Kingdom of God among a North African people group. It was a blessed time of networking, learning, reflecting and planning. Thank you so much for your prayers! We have returned with some next steps, so please continue to pray for us as we desire to hear from the Holy Spirit and move with Him.

PRAISE AND PRAYER ITEMS:

- * Praise God for the time with my Unit Leader and the other worker. Praise that Elsa was able to attend the gathering with us and that our friendship is growing as we partner together in ministry.
- * Praise God that we were able to rent a location to host an event for Saharawi ladies on May 27th! Please pray for us as we plan and organize this time. Pray that the Lord would stir many to attend and that he would be at work in all of our hearts.
- * Please pray for the short term team who will join us at the end of June. Pray for the Lord to be at work in all of the preparation and to use this time for His honor and glory.
- * Please pray for the few Saharawi around the world who have put their trust in Jesus. Pray their faith would grow deep and they would be disciples who make disciples.
