### Praise God from whom all blessings flow...

Wow it is so hard to believe that October is almost over! This fall is going by so fast. Since returning from the medical missions trip, I have been getting back into normal routines while resting, organizing for the trip to the camps, preparing for the evangelism training in November and doing some planning for home assignment. Phew!

The Lord has provided a visa for Elsa and I go to the camps and we leave in the wee hours of the morning on Saturday! We are not quite sure what to expect from this time. Elsa has prepared to lead a flamenco workshop for kids and/or women. I have prepared to share about Thanksgiving with kids. We are taking some materials to lead games with kids and/or teach the games to the teachers at the school there. Our goals are to observe and learn, encourage a worker who lives in the camps, build strong bridges and relationships, and share stories from Scripture to see who might be open to spiritual conversations. Please pray for the Lord's protection and blessing over this trip. Pray that we can be a sweet fragrance for Christ in Yusef's home and each of the places we go.

### PRAISE AND PRAYER ITEMS:

- \* Praise God for His hand over Alfonso, Pedro and the rest of the team. They saw the Lord moving during their time and have all returned home safely.
- \* Praise God for working out the visas and allowing us to get our passports back with no problems. Unfortunately, Alfonso is no longer able to go with us, but we hope this is the first trip of many and that he can join us in the future.
- \* Please pray for the trip to the camps! We head to the airport tomorrow, **Oct 27 in the evening and we return Nov 5th**. Pray for the Lord to move in a powerful way for His honor and glory!
- \* Pray for the Evangelism Training November 8-11. I will be doing the majority of the translation for this conference so please pray for strength. Pray also that the Holy Spirit would work in each of our hearts to better equip us to share His Good News!
- \* Pray for my home assignment Nov 16-Dec 6th. I am excited to connect with many of you and share about how the Lord is moving on this side of the ocean. :-)
