NOTHING IN ALL THE EARTH

What shall separate us from Your love?
Can years of sorrow break eternal bonds?
Can condemnation ever raise its voice
Against the pardon of the blood of Christ?
Though our journey here is long,
This will be our triumph song.

Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.
Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.

What shall separate us from Your love?
For now the sting of death is overcome.
And all the powers of this world must fall
Before Your feet because You rule them all.
Though our journey here is long,
This shall be our triumph song.

Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.
Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.

Nothing in all the earth could ever tear us
From Your everlasting love.

Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.
Nothing in all the earth, not any height above
Could ever tear us from Your everlasting love.
